LETTER FROM OUR CHAIR AND CEO

Since 1964, Big Brothers Big Sisters of Waterloo Region (BBBSWR) has ignited the potential of hundreds of children and youth through mentoring. In those 55 years, we have continued to evolve and grow in response to the ever-changing needs of the community we serve. The one constant through it all has been our core belief that every child has incredible potential, and that meaningful one-to-one mentoring relationships are the key to unlocking that potential.

This past year in particular has been one of great momentum – Big Brothers Big Sisters of Canada and BBBSWR has solidified our future direction by articulating our intended impact in a clear Theory of Change. Over this next year, we will continue to deepen our impact on every young person we serve, while striving to grow our programs and serve more children and youth.

Our commitment to continuous learning, analysis, and improvement is at the heart of what we do. We have implemented tools to measure the impact of the Developmental Relationships we are empowering, as well as the importance that mentoring is having on the social and emotional competencies of the children and youth in our programs. This critical information will help us to continue improving the way we serve matches and families.

Thank you to our Board, volunteers, staff and stakeholders – we are stronger together! Even though we are apart right now we can still be a part of building an amazing tomorrow - one mentoring relationship at a time. Stay safe, well and strong!

The above figures represent the audited revenues and expenditures of Big Brothers Big Sisters of Waterloo Region for the fiscal year ended December 31, 2019. The above statement of operations indicates a deficit of revenue over expenses which is attributable to lower government and community funding received this fiscal year relative to prior years. The agency had experienced surplus positions in each of Fiscal Year 2017 and 2018 and will continue to strive for that result in Fiscal Year 2020 and beyond with a focused fund development strategy and prudent management of our expenditures. While 2019 reflects a deficit, the agency continues to have a strong cash and investment position as shown in our full audited statement. We look forward to continued execution on our strategic plan to expand our mentorship footprint on the community. Our strong financial stability and results would not be possible without the continued support of donors and funding partners enabling us to impact so many youth in our Region.

SCHOLARSHIP AWARDS

For over 25 years, Big Brothers Big Sisters of Waterloo Region have presented Scholarship Awards to former Little Brothers and Little Sisters. All scholarships have been made possible thanks to the generous support of our donors: The Ross and Doris Dixon Charitable Foundation, The Westmount Golf Club Charity Fund Oktoberfest Charity Pro-Am Golf Tournament Committee, The Estate of the late Mary Good, The KW Community Foundation's Peter McGhee Scholarship Fund, The Trapp Family Bursary, Mr. Jerome Meyer and the Keith Taylor Scholarship fund.

We have much to celebrate as over 100 former Little Brothers and Little Sisters have received over \$400,000 in funding since the inception of the BBBSWR Scholarship program. The BBBSWR's scholarships were established exclusively for Little Brothers and Little Sisters to help them pursue their post-secondary education and/or career training goals. To qualify, a Little must have been enrolled in our family initiated programs for a minimum of two years and, if selected, must commit to working hard and doing their best.

This past week, BBBSWR awarded **\$17,000** to seven recipients. Congratulations to **Megan Shepherd, Jessica Gould, Natalie Letourneau, Brinton Gould, Gabriella Sidhu, Roa'a Hamed and Constance Klassen.**
